International Women's Day

Have a wonderful March Break! See you
Monday March 17th!

WE BELIEVE - The Virtue of the Month is Kindness.

Whoever pursues righteousness and kindness will find life and honor. She opens her mouth with wisdom, and the teaching of kindness is on her tongue. (Prov. 21:21; 31:26)

God wants us to give generously to others around us.

From the perspective of the Catholic Graduate Expectations, a kind person...

- Relates to family members in a loving, compassionate manner
- Values and honours the important role of the family in society
- Examines, evaluates and applies knowledge of interdependent systems for the development of a just and compassionate society
- Promotes the sacredness of life

WE EXCEL

In Ms. Naguib's Grade 8 class, the students are observing patterns in number relationships and learning how that relates to algebraic equations. Using Brainiac digital math tools, they are learning how to map patterns on an x and y axis. Inquiry questions drive math conversations as students map their own patterns. The students are using algebra in real life contexts through problem solving to understand where this skill is useful in life.

WE RESPECT

Students in Mme. Moriera's class are naming character traits of real Black heroes. They are researching their person and choosing one character trait that encompasses this person the best. This involves researching skills, summarizing skills and synthesizing skills as the students have to take what they know about character traits and what they are learning about the Black hero and merge the two together. Students are learning about Ruby Bridges, Simone Biles and Bessie Coleman.

WE THRIVE

St. Gregory Junior Boys basketball team had an outstanding day at the families tournament on Tuesday February 25th! They were undefeated in their division winning against St. Rose of Lima, St. Faustina and St. Veronica, getting us a spot into the semi-finals against St. Albert. In the finals, they gave it their all and had an intense game but, unfortunately, got defeated by only 8 points. A big congratulations to the Junior Boys basketball team. We are SO proud of you and your positive sportsmanship this year! A big thank you to the boy's coaches, Mme Bzdyk and Ms. Roberto for all of your effort and time.
